Dear Reverend

May 2017 be a very special year for you.

I want to start by boasting about our 2016 matriculants. Children who have to work very hard to achieve success, but who show us every year what they can accomplish with hard work and perseverance.

Sonitus School obtained a 100% pass rate and is proud of Sandra Koster who is the second best performer in Gauteng with 76% and three distinctions. Transoranje School obtained a 100% pass rate for the 16th and Prinshof School for the 21st consecutive year. Martie du Plessis High School obtained a 100% pass rate and three learners received bursaries for further studies. The highest achiever of Transvalia School is Reihann Ludeke with 75%.

## THE OFFICE RE-LOCATE

For the past 15 years the Institute has been accommodated by the Netherdutch Reformed Church at their Synodal Centre. However, their building was sold at the beginning of the year. The Congregation Pretoria-Brooklyn of the Reformed Churches made office space available, and the Institute will move there during February.
